Aircraft Incident at SLO County Airport

SAN LUIS OBISPO, CA — At approximately 9:15 a.m. this morning, a single-engine aircraft was involved in an incident at the SLO County Airport (SBP). San Luis Obispo County Fire Department dispatched an aircraft emergency response which includes Crash 21, a two person staffed ARFF (Aircraft Rescue Firefighting) vehicle, emergency personnel was able to quickly suppress the fire and check for injuries.

“At this time, we are focused on supporting emergency responders and gathering accurate information,” said Courtney Johnson, Director of Airports. “We appreciate the public’s patience and understanding as we work through the details of this incident.”

The situation is currently under assessment, but the airport can confirm that there were no injuries and no fatalities.

At this time, no additional information is available. SBP working closely with first responders and appropriate agencies to gather more details.

“The safety of our passengers, staff, and the community remains our top priority,” stated Dawn Ortiz-Legg, County Board of Supervisors District 4.

Further updates will be provided as soon as more information becomes available.
