

## CAL FIRE San Luis Obispo County Fire Training Announcement

### Course:

ROHVA: ROV Basic Driver Course

### Date / Times:

December 19, 2025 | 1000-1500

### Location:

Station 98 | 4735 Airport Rd, Paso Robles, CA 93446

**Class Designed for:** CAL FIRE personnel that will be operating UTVs.

**Description:** The RBDC is a training opportunity that provides current and experienced ROV users to learn and practice basic skills and techniques. It addresses basic operation and emphasizes safety awareness related specifically to ROV operation. The overall aim of the RBDC is to provide for driver development in the areas of skill and risk management strategies. This includes learning experiences to foster driver gains in basic knowledge, skill, attitude, values, and habits.

**Prerequisites:** At least 16 years of age with a valid Driver license and a current Defensive Driver Cert. Also, Complete pre-course work here <http://cbt.rohva.org/>

**Instructor:** FAII Jon Gee, BC Luke Bourgault, FC Morgan Partridge & FAII Zach Cipriano

**Class Coordinator:** Jon Gee    **Telephone:** 805-903-3490    **Email:** [Jonathan.gee@fire.ca.gov](mailto:Jonathan.gee@fire.ca.gov)

**Cost:** Free

Course enrollment and fee exemption for CAL FIRE/SLU Permanent, LTs and SLO County PCFs.

\*Cancellations less than 10-days, no-shows or failures will forfeit fees. \*

**Course Attire** CAL FIRE San Luis Obispo Fire personnel will wear their work response uniform. Outside agencies will wear their work response uniform or department issued work attire

**Equipment:** Students will be required to bring long sleeve Nomex/BDU shirt/jacket, DOT helmet (if you have your own), work gloves, hearing & eye protection, and fluids for drinking

**Registration:** Registration deadline is **12/12/2025** by COB. Maximum 24 students.

- CAL FIRE San Luis Obispo County Fire employees (including PCFs), submit Local Class TR-7 via Vector Solutions
